

DINTLE PELOYAKA MAKGABO

Aspiring UI/UX Designer & Software Developer

Pretoria 0182, Gauteng, South Africa | +27 71 963 9289 | dintlemakgabo46@gmail.com

PROFILE

Meticulous and motivated Information Technology student with a growing focus on UI/UX design. Passionate about creating intuitive, user-centered digital experiences and translating user needs into functional, visually appealing designs using tools like Figma. Building a working foundation in software development through coursework in C#, SQL, and JavaScript, with strong problem-solving and web development fundamentals. Adept at working independently and collaboratively, and eager to apply both design thinking and developing technical knowledge in a practical internship setting.
